LAUENSTEINER® LIMITED EDITION

Colours, shapes and motifs are constantly changing. We at Lauensteiner launch a limited edition on the market at regular intervals. A real specialty that picks up on trends from the world of colour, fashion, design and lifestyle. For 2024, we have chosen the fascinating hummingbird for our LIMITED EDITION. They inspire with their beautiful, iridescent colours and are therefore also called "flying gems". The iridescent, colourful play of colours is created by a special structure in the plumage. Our 125g fruity fresh truffles and chocolates, such as pomegranate, woodruff or raspberry, are the "nectar" for our hummingbird. Measures: 130 x 205 x 30 mm Content: 8 pieces, 5 flavours, 125g
