Natural chicken eggshells get a great second life: brightly coloured on the outside, filled with the finest hazelnut Praline inside. Surprising, original and sustainable! Presented in a new, artistically designed packaging with two cute bears in love: „You my dear – there is no doubt – I cannot bear to be without“. An ideal gift for every conceivable occasion which tastes good and makes people smile.

Praline Chocolate inside, egg outside A sweet delicacy in the shell of nature.

The colourfully decorated eggs filled with finest hazelnut Praline are now also presented in a natural, traditional four-egg carton. The sweet eggs are well protected and sustainably packaged. Decorated with colourful polka dots, they bring just as much joy as the lovingly designed label with two cheerful Easter bunnies. A product that surprises and arouses curiosity.
